

# PROTEST: KARL ROVE

---

**Wednesday, November 15**  
**7 – 8 pm**      **Shriver Hall**

**BEFORE THE PROTEST:** Learn from anti-war activist Brian Willson. Book talk, 6–7pm, Barton Hall 117

---

Karl Rove, who dodged the draft in order to avoid going to Vietnam, helped set in motion the U.S. invasions of Afghanistan and Iraq. As George W. Bush's chief political strategist, he helped promote the expanded use of torture, and he orchestrated efforts to sell the invasion of Iraq with false information about weapons of mass destruction.

Rove, who recently published an unrepentant autobiographical memoir, is speaking at Hopkins as part of the MSE Symposium.

**HOLD ROVE  
ACCOUNTABLE!**  
**Did Rove support torture?**  
**Is Rove a war criminal?**  
**Is Rove trying to re-write history?**
